

Shelving System 25 KM Shelving System

Perfect solution for different retail formats

Easy and quick access to products, efficient layout and possibility of goods allocation.

We offer customisation of main elements, promotional tools and decorative parts that can easily fit in with the aesthetics of your retail space.

Wide range of accessories such as dividers, pushers, and special hooks helps to create an appealing presentation while reducing the time required to merchandise, sort, and re-stock shelves.

Upright perforation pitch 25 mm

LED backlight

Available in numerous colours
